Welcome to the Quesnel & District Seniors' Society. Thank you for considering us to host your event.

We are a nonprofit, charitable organization staffed entirely by volunteers. Should you wish to make use of our services, we will require your cooperation and assistance in making sure your event is successful and enjoyable. There are, of course, a number of things on the contract that we will request you to comply with. Please review them and if you have any questions contact the Seniors' Society. We will be able to provide assistance or arrange for someone to contact you. These conditions exist to help you have an enjoyable and successful event while ensuring that we will be able to repay your damage deposits in full.

You will be provided with a signed rental contract and list of requirements and procedures. We will be happy to give you an extra copy of the procedures to give to your decorator and caterer should you have hired one.

We can be contacted at the Centre 250 992-3991;
 Booking Agent, Gina Prescott 250 983 3371 President Doug Service 250 747-2954.
